Local students are awarded honor

New Hope Baptist Church of Appomattox, Virginia, announced today that two of their students have been inducted into The Society of Distinguished American High School Students.

Students awarded this honor include: Rita Ferguson and Craig Smith.

The Society, one of the nation's foremost high school honoraries, tapped these students because of their demonstrated excellence in scholastic leadership and civic achievement. Only 2% of all the students in the United States are accepted for membership. Nominations can only be made through the student's school or church.

The Society's National Awards Program is sponsored by over ninety colleges and universities throughout the United States. Thousands of dollars in scholarship funds from these institutions are earmarked for Society members each year. The students' sponsor, Rev. Clarence H. Davis, received a National Appreciation Award from The Society on behalf of the students for the interest shown in honoring and rewarding excellence on the secondary school level.

The purpose of The Society is to promote both academic and civic achievement by recognizing students in its Membership Registry, which is published annually and distributed throughout the United States and parts of Europe.

'Time' film to be shown

Time—what is it? The relationship between time, space and matter? And, man's place in time? These are some of the thought provoking concepts considered in **Time and Eternity**, a full-color motion picture to be shown: this Sunday, June 1 at 6:00 p.m. at Friendship Baptist Church, Rt. 727, Appomattox, Va.

Produced by Dr. Irwin A. Moon, at the Moody Institute of Science in Whittier, California, **Time and Eternity** is one of a series of unique and interesting motion pictures released under the general classification of Sermons from Science.

Time and Eternity and other Sermons from Science films were viewed by more than a million people from all over the world at the New York World's Fair.

Using the time microscope and time compressor (lapse-time camera and high speed camera), Dr. Moon demonstrates some of the basic principles of relativity. T'e result is not only highly informative but intensely interesting.

Time and Eternity presents God as Omnipotent, unrestricted by the limits of time and space. The reality of eternity is seen as a scientific fact.

Local viewpoints -to be aired on WTTX

Politics and religion - do they mix? County politics - how does the system work? These topics and others will be covered by a new show to be broadcast by WTTX beginning May 31 at 3 p.m. "Viewpoints," the name of the show, was designed by Terrie Conrad who will host the half-hour show being sponsored by American Federal Savings and Loan. Terrie indicated the show was derived from a need to know more about Appomattox and felt that others in the community would want to share in that knowledge. Terrie is the wife of Tom Conrad, Appomattox County ASCS director.

IVETTE FERGUSON of Appomattox will compete in the "Miss Bronze" pageant scheduled for this Saturday evening in the E. C. Glass High School auditorium at 7:30 p.m. She is one of 15 contestants vying for the "Miss Bronze" crown.

APPOMATTOX RESIDENTS may have noticed some changes in the landscape on Route 727 at its junction with route 604. There has been extensive reshaping there in recent weeks to make way for the new Appomattox Baptist Temple, which is nearing completion. The congregation will soon be moving from their present location on Church Street where they have been meeting for approximately six years. The new building is located on a six-acre tract on 727. According to pastor, the Rev. Ronald L. Gallagher, the congregation should be ready for their first service in the new building by June 8. Construction began in October of last year. The new building will house Sunday School and worship areas until additional space is needed. This structure is the first stage of a projected three-stage master plan to be implemented over the next two years, as the growth of the congregation dictates.

R.J. Coots is featured speaker

The Rev. R. J. Coots will be the featured speaker at a revival slated for the Friendship Baptist Church June 4-8.

Coots, a 1963 graduate of the Bible Institute of Texas in Pasadena, served four years as a missionary in Mexico, and for five years was associate pastor at the Greenwood Baptist Church.

He served for three years as pastor of the Open Door Baptist Church in Baytown, Tex., and was pastor of the Pine Grove Baptist Church in Houston for eight years.

He also served as an administrator for the Pine Grove Baptist Church for eight years.

He is a graduate of the Spanish Language School in Mexico, and a graduate of the International Dental School in Mexico.

He served for four years as a trustee and vice president of the Texas College of Theology in Pasadena, Texas, as well.

The public is invited to attend the revival.

The Rev. R.J. Coots

CPR course taught

Five Cardio - Pulmonary Rususcitation instructors of the Appomattox County Rescue Squad taught a basic "Heartsaver" course at the Evergreen School on May 19 and 20.

Twenty-one persons participated in the class. The class consisted of Evergreen Ruritan Club members, their families and friends.

Mrs. Becky Johnson, registered C.P.R. instructor of Appomattox, assisted with her time and talents.

Lions sell 500 brooms

More than 500 brooms were sold in last week's Appomattox Lions Club broom sale, acording to Lions' Club spokesman Merrill Ferguson.

Ferguson added that anyone wishing to buy brooms who did not during the sale may obtain them at Wilbun's Supermarket.

Floyd Williams, fund-raising chairman, expressed the club's thanks to the many citizens of Appomattox County who supported the fund-raising drive.

All proceeds from the sale will go toward sight conservation.

Mary McCoy is honored

Mary Hillie McCoy, retired East Central District Agent, in Appomattox received a 30-year service award at the annual Virginia Cooperative Extension Service conference held recently at Virginia Tech.

She was one of 62 members of the VCES honored for their years of service. She received a special certificate and pin from the U. S. Department of Agriculture.
